Sir:

In accordance with the duty of disclosure imposed by 37 C.F.R. § 1.56 to inform the Patent Office of all references coming to the attention of Applicant or attorneys or agents for Applicant which are or may be material to the examination of the subject application, Attorneys for Applicant hereby invite the Examiner's attention to the references listed on the accompanying revised PTO Form 1449 entitled "List of References Cited". Copies of references AN, BA and BO are enclosed. Copies of the remainder of the references can be found in the files of the Priority Application USSN 08/232,545, filed April 22, 1994.

Identification of references listed on PTO Form 1449 is not to be construed as an admission of Applicant or attorneys for Applicant that such references are available as "prior art" against the subject application. Consequently, Applicants respectfully decline to use form PTO-1449, since this form identifies all of the references cited therein as "Prior Art". As an alternative, Applicants submit herewith a "revised form PTO 1449" entitled "List of References Cited"

instead of "List of Prior Art Cited." The right is reserved to antedate any item in accordance with standard procedure.

This submission is understood to complement the results of the Examiner's own independent search. The submission should not be construed as a representation that a search was made, or that the cited items are inclusive of all the relevant and material citations that may be available publicly.

Applicants respectfully request that the Examiner review the references and that they be made of record in the file history of the above-captioned application.

Applicants believe that no fee is required with submission of the enclosed IDS because the IDS is believed to be filed before the mailing of the first Office Action.
